DO NOT CIRCULATE

On 23 March 1951.

the allotment gardens and fields at the former Quedlinburg-Quarmbeck airfield were not leased for 1951 and that cultivation was prohibited. * 25X1

* Comment. This possibly indicates that the airfield is to be reconditioned. Part of the former airfield has been cultivated and the other part has been used as a training ground for the Volkspolizei units quartered in the barracks installations. No reconditioning has been observed at the field. All previous construction was limited to improvement of the Volkspolizei quarters. 25X1
